ENTEGRACOACH

ENTEGRACOACH

THE LUXURY YOU
DESERVE.

REVERED QUALITY, BREAKTHROUGH TECHNOLOGY

Building on generations of proven craftsmanship, we're constantly pushing the limits of what a motorcoach can be. The 2018 lineup is no different, delivering some of the most advanced vehicles on earth.

- En-telligent™ VegaTouch command center with larger touchscreen controls and HDMI® input
- Blind Spot Monitoring System
- En-telligent Collision Mitigation System from OnGuard™ automatically brakes in dangerous situations
- Electronic stability control recognizes irregularities in steering and helps stabilize the coach to prevent tilting and swaying
- Third brake light signals when the brake is applied
- Low-beam LED headlights
- Passive steer tag axle

THE QUIETEST RIDING, BEST HANDLING COACH ON THE MARKET TODAY. PERIOD.

HERE'S WHY:

1. SPARTAN® CHASSIS

With more than 30 years of custom chassis manufacturing, Spartan gives us the industry's premier foundation.

2. EXCLUSIVE X-BRIDGE™ FRAME

Our exclusive X-Bridge frame adds even more floor strength and structural rigidity, eliminating chassis flex and twisting; with it, the suspension—not the chassis—absorbs road shock and vibration.

3. RESIDENTIAL-STYLE WALLS AND ROOF

Our roof combines crowned aluminum truss rafters on 16-inch centers with Flexfoil®, fiberglass insulation and 3/8-inch plywood decking. Our walls, along with our front and rear caps, feature overcut-and-stuffed batting insulation—the same kind of fiberglass insulation found in sound-absorbing theater rooms.

4. WOOD FLOOR CONSTRUCTION

Our five-inch wood floors are laid on top of our reinforced steel subframe, creating one of the industry's thickest floors—reducing energy transmission, noise and vibration.

5. MONOTUBE GAS-PRESSURE SHOCKS

Designed specifically for luxury motorcoaches by Bilstein®, these shocks have 228% more surface area than twin-tube shocks for greater sensitivity and control, virtually eliminate excessive sway, and self-adjust so you don't have to change settings.

6. MICHELIN® MOTORHOME TIRES

One of the most trusted names in the business, Michelin's motorhome tires are designed for unparalleled fuel efficiency, high mileage and precise load control.

7. DUAL DIESEL EXHAUST FLUID (DEF) FILL PORTS

DEF fill ports on both sides of the coach make it easy to get the most from your fuel—better efficiency, increased power, safer emissions, fewer regenerations and optimized combustion.

ENTEGRA
COACH®

STANDARD CHASSIS EQUIPMENT

Spartan® K3 raised-rail chassis
 Cummins® 15-liter ISX turbocharged 605HP engine, 1,950 lb.-ft. torque at 1,200 RPM
 Allison® 4000 MH 6-speed transmission
 Reyco® Granning® IFS independent front air suspension
 Reyco Granning rear suspension
 20,000-pound hitch with 7/4-pin plug
 Hadley® air leveling system
 Bilstein® shocks: 60mm in front and 46mm on rear tag
 150-gallon fuel tank (dual fill)

STANDARD CONSTRUCTION FEATURES

X-Bridge™ frames welded onto chassis frame
 Enclosed, insulated and heated floor and thermostat-controlled heating in storage area
 Flush-mounted, electric-powered slideout rooms with VegaTouch control

HEAT, A/C, POWER AND WATER EQUIPMENT

Aqua-Hot® 450 diesel hydronic water and heating system with in-floor heat throughout
 15,000 BTU low-profile A/Cs (3) with heat pumps, digital thermostat and roof-to-ground condensation drain tubes
 Onan® 12,500-watt diesel generator with auto-gen start on powered slideout tray
 3,000-watt pure sine wave inverter (2)
 L16 AGM batteries (4) (6V/390 amp hours each)
 Macerator holding tank dump system with electric gate valves and manual backup system

STANDARD EXTERIOR EQUIPMENT

LED high- and low-beam headlights
 Lighted grab handle with keypad system
 Keyless entry with key fob
 Girard® power entrance door awning with LED lights
 Girard Ultra window shade and slideout awnings
 Roof-mounted Girard Vision dual-pitched patio awning with LED lights
 Chrome, heated, remote-controlled, sideview mirrors with blind spot indicators
 Exterior 40-inch Samsung® LED HDTV on bracket with extend, tilt and swivel arm with Samsung Soundbar
 Full-width rear mudflap with chrome "Cornerstone" nameplate

COCKPIT AMENITIES

Air-cooled, 6-way-power, lumbar, heated, leather driver and passenger seats with integrated 3-point safety belts
 VIP wood-grain, leather-wrapped, tilt and telescoping steering wheel with integrated controls for radio, cruise and wipers
 All-glass paneled, dual 9-inch capacitive touchscreen, in-dash infotainment centers with Rand-McNally™ RV navigation, Bluetooth®, SiriusXM™, AM/FM tuner, integrated camera control, house-mode whole-coach audio distribution and integrated VegaTouch coach control
 JBL® premium audio sound system with speakers, amplifier and subwoofer
 Color "Total Vision" rear camera and digital side camera

STANDARD INTERIOR EQUIPMENT

VegaTouch pad system for complete integration of coach controls
 High-gloss 12-inch x 24-inch porcelain tile floor with granite inlay design
 Samsung 50-inch 4K UHD TV in living area
 Samsung 32-inch LED HDTV in front overhead
 Bose® SoundTouch® 300 sound system in living room
 In-step storage with pullout tray
 LED-lit 1,400-watt electric fireplace (45B, 45Y)

STANDARD KITCHEN EQUIPMENT

Dimmable LED-lit quartz countertops with integrated stainless steel sink
 Dishwasher with wood raised-panel door front
 Furrion® RV Chef Collection™ induction cooktop
 Whirlpool® residential refrigerator with ice maker and water dispenser
 Whirlpool Gold® 1.9-cubic-foot convection microwave oven

STANDARD BEDROOM EQUIPMENT

Samsung 32-inch LED HDTV
 Samsung Soundbar
 Plush king-size mattress
 Spacious cedar-lined wardrobe with automatic light(s)

STANDARD BATHROOM EQUIPMENT

LED-lit quartz countertop(s) with integrated sink(s)
 Porcelain toilet(s) with push-button flush (master bath)
 Frameless, clear-glass shower door
 Porcelain-tiled shower walls and floor with skylight
 Power vent

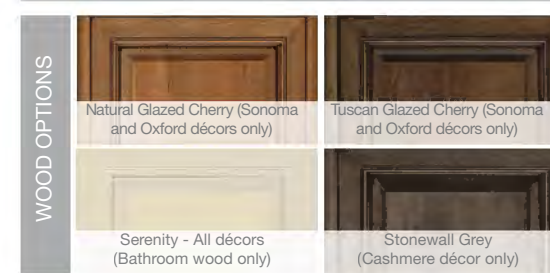

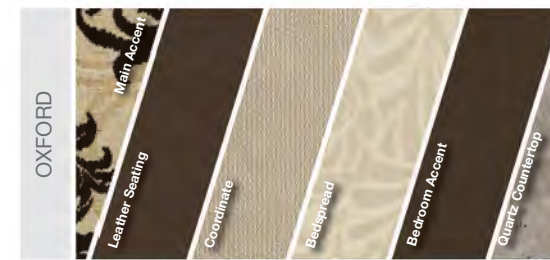

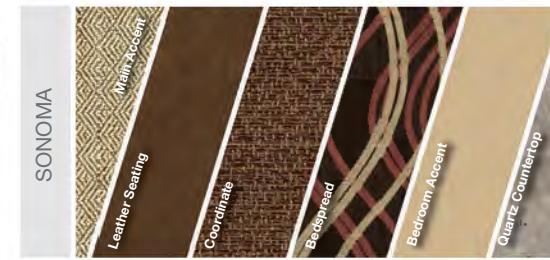

STANDARD SAFETY EQUIPMENT

En-telligent™ Collision Mitigation System equipped with collision warning, adaptive cruise control and electronic stability control
 En-telligent Blind Spot Monitoring System tuned to detect objects within the lanes of traffic on either side of the vehicle
 Security system with glass-shatter sensors
 Motion-sensor security lights (2)
 Smoke alarm
 Carbon monoxide alarm
 Security safe

OPTIONS

LED-lit 1,400-watt electric fireplace standard (45B, 45Y)
 Leather dinette booth (45A, 45B, 45F, 45W, 45Y)
 Dinette booth (45X)
 Freestanding table with chairs (4) (45A, 45B, 45F, 45W, 45Y)
 Freestanding table with chairs (4), hide-a-bed and sofa (45X)
 Theater seating with power recliners (3) and fixed center console
 Desk with 50-inch TV lift, fireplace and hide-a-bed (45A, 45X)
 Winegard Trav'ler satellite dish with DIRECTV (US) or Shaw Direct (CA)
 Dual 100-watt solar panels with Morningstar SunSaver Duo solar panel charge controller
 WiFi extender antenna
